### **Matters for discussion / action / noting:**

#### 5. Local Traffic issues. Council Response.

#### 6. Following several local traffic issues raised by Brian Dumphy at our meeting in mid-2017, NBC responded comprehensively in relation to the matters raised. A copy of Council's response will be provided on request to the Chair.

#### 7. Manly Oval/Ivanhoe Park Botanic Garden Access | Rugby Club

The meeting was advised Council has responded that residents must be provided with access to Ivanhoe Park from Ozzie Merritt Gates and vis versa on Rugby game days. Residents are advised they will most likely be escorted through the game area as the club is extremely worried that people will take advantage and watch the games for free. We consider this extremely unlikely and ask that anyone having trouble with free access report the issue to NBC and advise GMRF. We will do our best to assist to keep free access available always.

#### 8. Manly Hospital Site

- Next meeting of Project Steering Group Tuesday 5 June 2018.

#### 9. Update of resolutions from previous meetings.

- Litter in and around Manly generally continues to be a problem with little respect shown for the area by visitors. All residents are encouraged to report litter problems on the NBC website and to their local ward Councillors.
- Notice of Annual General Meeting to be held Monday 2 July 2018

**Next meeting: Monday 2 July 2018.**
