ISSUES DISCUSSION NOTES:

Northern Beaches Tunnel

Concerns remain regarding the design of freeway, loss of green space and ventilation. GMRF should form a position on this issue and present this to the Council.

GREATER MANLY RESIDENTS' FORUM | ACTIONS as at 8 October 2018.

Boy Charlton Pedestrian Crossing

Progress with fence installed and low bushes cut back. Still issues remain e.g. new lighting and painting.

Proposed rebuild of Manly Boardwalk and fun pier from SeaWorld site to Manly Wharf

Meg expressed support for the boardwalk. Boardwalk will protect seabeds and marine creatures as boats will have restrictions to where they moor. More and more boats are coming to Manly Cove.

NBC Document – MOVE | Active Transport

MOVE is NBC document planning for Active Transport over next 20 years

Nick has approval for us to give late submission - due this week

Nick will include our feedback and forward to NBC.

He will include Queenscliff Bridge issue in submission

Fairlight Reservoir

Motion: GMRF requests from NBC information for the proposed plans for the old reservoir site in Fairlight

Litter in and around Manly generally and from storm water

Motion: GMRF are concerned with the standard of hygiene on the beach front. What means are the Council taking to improve the standard, in particular the storm water discharging into the waterway via Manly Lagoon and storm water drains?

Need for more seating at LM Graham Reserve

New Issue: Sue de Monchaux reported that there is a need for more seating at LM Graham Reserve for spectators at sporting events. Current seating is limited. As ground is flat, oval fence obscures view of ground. Banked area adjacent to Swim Centre is unsuitable and unsafe for spectators as there are no steps and hand rails.

OUTSTANDING ISSUES

Date	Issue	Action	Responsible	Due by	Status
7 May 2018	Roseberry Street Masterplan	Progress including opening of Quirk Road to through traffic. Need to manage traffic congestion in the area regarding number of large delivery trucks	Lloyd	Long term project	In progress
	West Esplanade masterplan.	Needs: Parking, Updating and maintenance (specifically repairs to stone wall and metal light posts. Ocean World site; Manly Waterslide area; Manly Art Gallery.	Sandy H	Ongoing
